

Service à l'enfance ALADIN Childcare Services

Mission Statement

Service à l'enfance Aladin Childcare Services exists to provide a safe, developmentally appropriate environment for children aged 18 months to 12 years. Our focus is to provide a stimulating early learning and care experience that promotes each child's social, emotional, physical and cognitive development in a non-sexist, non-judgemental atmosphere. Our goal is to support the child and family in their quest to attain their fullest potential.

Our purpose is to provide an enriching educational environment for children and their parents, one that fosters a love of learning, awareness of self and others, and a sense of accomplishment built on a child's natural curiosity. We incorporate the knowledge and skills of parents and staff to create a child-centered environment.
